Welcome!

Please welcome the following people to the OVCC family:

Jeanne Bennett

Chris Shull

Bill and Jane Stropes

GOLF COMMITTEE

Calcutta weekend will start June 24th with the Calcutta auction starting after mixed league. We'll also have night golf starting after the auction. June 25th will be the Calcutta party with Corporate Rock playing at 7! Corporate Rock is a band from Bettendorf playing all music from the 60s to present! They also play different types of music, so make sure you put this night on your calendar! Sunday, Calcutta will start at 9:30! The clubhouse will have breakfast and small lunch available for purchase.

What is Calcutta? Its a mixed event with teams of 2 Guys and 2 Gals and all play their own ball. Add your strokes and subtract you Handicap for all four players, lowest team score wins!!This year there will be twice the fun and chance to

win. We are using a two flight system which will give 2 teams the chance to win. We are hoping for a very big turnout for this event. Get your teams together and be watching for the sign up sheets and more information. Last years winners where Joe Ham, Cathy Miller, Jackie Ham-Miller and Eric Miller. They always have a lot of fun at this event!

Mixed League starts June 3rd and **Caddyshack** night will be June 10th! You can dress up as your favorite Caddyshack character and come out for a night of fun and laughs! 5 league points will be awarded to the golfers in costume. We'll also have music from 8-11!

The **spring handicap tournament** winners were **Garrett Bieri and Sherri Foster**. Congrats!

94 cup is scheduled for June 11th! We will be taking on our dreaded foes and friends from the Hawthorne Ridge Golf Course in a Match play event. Brian Lager is working out the details with Ray Leng. Please keep your eyes and ears open for further details.

The Men's Super ball ABC Tourney will be Sunday June 5th at 9:30 All men are welcome to sign up for this event. The clubhouse will have breakfast and lunch available for purchase!

Last year's winners were Todd Line, Kelly Freiden and Nathan Wicks.

How does it work? You sign up as an individual. We take all the people that sign up and divide them into three groups by handicap. Low handicap is an A player, medium handicap is a B player, and higher handicap is a C player. Each team is assigned a player from each Group, which makes your ABC group. This is a great way to get to know people you may never play golf with otherwise.

Look for the sign up sheet on the men's locker room Bulletin Board.

The sign up sheet for the **Member/Guest tournament** will be up in Mid-June. Members, bring a guest and play two person preferred ball for cash and prizes. This event will be flighted depending on the number of participants. Dinner and music to follow. This event will be limited to the first 36 members to sign up. More

details will be available once the sign up sheet is on the bulletin board. Let's make our first Member/guest tournament a success and show off what all OVCC has to offer, especially our new patio!

Make sure you have the **T-bone tournament** on your calendar! July 16th and 17th! Get your teams ready!

House Update

You will start to see some new faces inside of the club house, we have hired several new employees. We are excited to have them join our OVCC team! Be sure to come down and enjoy the beautiful patio. Thank you to everyone for your patience during the construction phase and overlooking some of the mess. The ADT security system is in place. Please keep in mind that you still will have access to the locker rooms and restrooms through the keypad

on the locker room doors but if the clubhouse is closed the alarm will go off if you try to open the doors going into the bar and dining room area. Thank you for your continued comments regarding your dining and customer service experience. In comparison to last month we increased from 92% to 95% of members felt their meal was good to excellent. We increased from 96% to 97% of members felt the meal presentation was good to excellent. We increased from 89% to 94% of members who felt their meal was delivered hot and fresh. We stayed at 99% of members who felt the speed of service was good to excellent. We increased from 99% to 100% of members who felt they received friendly service from the employees! And we increased from 97% to 98% of members who rated the value good to excellent. Thank you again for all of your comments, they are truly appreciated. Our goal is to provide our members an exceptional customer service experience! Keep in mind too, that if you prefer a more fine dining experience, the upstairs is available at your request!

THANK YOU

Thanks to everyone who came out for the Kentucky Derby party! It was a success and a lot of fun!

Superintendent's Corner

We will be scratching the surface and seeding the areas of the #1 men's tee box, that got ruined due to the construction project on the patio, so it will be playable this year. Then this fall we will begin new construction and have it open for play next fall. #8 green has been coming in nice, and we will begin bringing the height of cut down soon. Please be mindful as we are growing this in and we request that nobody takes chip shots off of it.

May be some confusion on tee blocks,

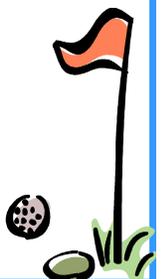

MEN FRONT 9- BLUE

MEN BACK 9- WHITE

WOMEN FRONT 9- RED

WOMEN BACK 9- YELLOW

There is now a pop machine located down by the maintenance shed. We will be stocking it soon for any golfers that want a pop/water mid-way thru the round.
