

The Oak View Observer

MARCH 2019

Membership / Visitors, Staff and Board Members

The Codes of Conduct have been developed to ensure a safe, friendly and respectful place for members, visitors, staff and the Board to gather in the spirit of cooperation, relaxation, good will, fun and friendly competition. First, there will be a listing of a general code that applies to everyone and then there will be additional codes for the groups previously mentioned. The Code of Conduct differs from rules in that it addresses acceptable/unacceptable behavior.

-Creates an environment and culture that is reflective of the personal integrity and respect taught in the rules of golf where it is written that we are capable of enforcing rules upon ourselves with honesty, integrity and good sportsmanship. This same integrity, honesty and good will are expected whether on the golf course or in the club house.

-Please visit website for more information.
