Grounds & Greens

We are excited for the golf season to begin! We have many plans for this year, and we are working diligently to get those things accomplished. We have added some trees and have seeded in areas. Please make sure to stay off the new planted grass. Also please:

Do not drive on dirt spots even if new grass is sprouting your cart will sink and get mud on it.

Do not play out of dirt spots

Do not walk in dirt even if grass is sprouting you will get mud on your shoes, use your ball retriever or leave it.

Take a free drop no closer to the hole.

We will not cut new grass until it heads out be patient. Thanks
