Planning an Event?

The ballroom and sunroom are booking up fast for fall events. If you're planning a late fall or winter event, now is the time to get the event on the calendar. Please be sure to coordinate your plans directly with Miranda to make sure all your needs are met. She will get everything lined up, including the menu with Chef Adam. As always we want your event to be successful, so please give Miranda a call or email and she will take care of everything!

Grounds & Greens

Please try to stay out of the wet areas with all cart traffic. We have contacted the city of Aledo about the wet spot on hole #2. They are addressing the leak as it is a leak heading up the hill to the houses above. They are doing their best to get it repaired as they work with the home owners. Sorry for the inconvenience. Cart paths are in the process of all being re-paved. Hard to believe fall is approaching. As acorns will start to fall later this month we will do our best to keep greens and approaches as clean as we can. They seem to fall faster than we can get them cleaned off.
