## Battle of the Bars

### November 10th

OVCC is participating in the city wide event, Battle of the Bars, to raise money for a new veterans statue. Our very own veterans Ben Murphy, Brian Lager, Steve Llyod and Craig Hess will be working that night. Their tips and other money they raise that night will go towards the new statue. What a fun idea! We'll be sure to have a basket special that night and a special drink! Also, those who come that night will get entered to win \$25 in OVCC bucks! So put this night on your calendar and show support for our wonderful community. Lets show the rest of Aledo that OVCC is in it to win it!
